

# YOUR CONVENTION RUN HEADQUARTERS

Track Shack Events (TSE) coordinates all the details that add up to a safe and exciting event for your industry/trade group convention. Our Professional Staff creates a staging area that gives the participants a true big race experience. Track Shack Events offers the following products and services which will create a memorable race for your group.

- ◇ **Event Management** – TSE provides management and coordination of all services described below as well as production on race day.
- ◇ **Event Insurance** – TSE can provide the client, sponsor, and other entities with liability insurance for the race.
- ◇ **Finish Line Services** – TSE can provide event equipment that includes truss, uprights, display clock, finish banners, and feather banners to enhance your Finish Line Experience.
- ◇ **Course Services** – TSE will use an existing course or create and measure a new course for your location. Cones, directional and informational signs along with barricades will be setup to ensure safety.
- ◇ **Race Numbers** – Customized race bibs will be created for your event. Logos and race name can be included if desired. Safety pins will be provided.
- ◇ **Medical Personnel** – A trained and qualified medical professional will be on hand with mobile communication making sure each participant is safe.
- ◇ **Permit and Police** – If necessary, TSE will obtain the necessary permits and coordinate police involvement for road closures and traffic control.

Sample Race Bib

### Enhancements:

- Timing Services** – Have your event timed with the ChronoTrack D-Tag which produces accurate and customized results.
- Refreshment Coordination** – TSE provides water, assorted fruit, and granola bars for all race participants.
- Announcer and Sound System** – Enhance your event with a live announcer and music that will get your group pumped up and ready to run!!
- T-Shirts** – TSE can work with the client to create customized t-shirt for your event. All logos and quantities will come from the client. T-shirt types available upon request.
