

Dear Team Captain,

We would like to thank you for your participation in this year's IOA Corporate 5k. More than 16,000 runners and walkers from more than 700 teams will join us downtown at Lake Eola! We hope you have a nice time with your co-workers and friends in the community. Track Shack does a wonderful job and we would like to acknowledge the great work by their team. Now in its 20th year of the event we have had the opportunity to see health and wellness become a priority in the local corporate culture.

Since the early days of Insurance Office of America we have always felt a responsibility to be advocates for the community our family serves. Our IOA family has grown from 2 people in 1988 to over 800 today and with that our focus hasn't wavered from the fundamentals that we put in place early on. With our growth we feel it is important to give back to the many communities we are located in nationally. However, Central Florida is home to our national headquarters so there is no community closer to our hearts than this one. In a complex world we invite you to engage our people, discover the difference of IOA, grow your business and experience the value of a trusted source of understanding.

See you at the Finish Line!
