.25 Miles = once around a track or 400 meters. This workout can be done on a road or track.

Cross-Training includes swimming, cycling, spinning, rowing, strength training or walking and are 30-45 minutes at an easy to moderate intensity level. A stride is about 15-20s long where you start at a comfortable pace and gradually work your way up to a faster pace by the end of the time. Before beginning any exercise program, visit your doctor for a complete physical.
